Featuring Volunteer:
Meet Rene Otero: A Labor of Love
Dutchess Outreach is grateful for the generous support from our dedicated volunteer, Mr. Rene Otero. Since 2011, Rene Otero, with his cheerful smile, has volunteered in our community meals program, the Lunch Box, by completing various assigned tasks including unloading & sorting large food donations, serving food and cleaning tables and chairs. At our 2018 Volunteer Recognition Reception, Mr. Otero was awarded the Life-Saver Award. We are lucky to have Mr. Otero, a true life-saver!

A Valentine’s Day Lunch
Pagan/Tyler Family
On Valentine’s Day 2019, the Pagan/Tyler Family spread love in our Lunch Box by providing a delicious hot meal to our attendees. The meal consisted of food from Nelly’s Dominican Restaurant on Main Street in Poughkeepsie. The Valentine’s Day themed décor brought smiles and joy to all those who sought a meal. Thank you to the Pagan/Tyler Family for your thoughtfulness and generosity.

Note from the Director
For me Fall brings—basketball. The great players have taught me a lot; like Bill Russell, arguably one of the best that ever played. He was once asked “How would you stop Shaquille O’Neal? —probably the most dominant ball-player he’d ever seen; an immovable force. “I couldn’t stop Shaq” replied perhaps the greatest defender of all time. “But I could work with my teammates to prevent him from always having his way.”

An immovable force, greater than any of us, like hunger and poverty, requires that we work as one against it. Thank you for joining our team!

IBM Makes a Difference
Annually, local IBM employees participate in their Friends and Family Day. The Day allows IBM employees to volunteer five (5) hours of their time at a non-profit. Through the efforts of Nora Johnson, the IBM team joined Dutchess Outreach in our Urban Farm. We appreciate all of the help the team provided to us.

SUNY-New Paltz Alternative Spring Break
Thank you to Helen Zhang & the SUNY New Paltz students who chose Dutchess Outreach as one of the agencies to volunteer for during their Spring Break.

Thank you!
Girl Scout Troop 10448
Earlier this year, Girl Scout Troop 10448 and their Leader, Danielle Lopes, donated several boxes of delicious Girl Scout cookies. In addition to dropping off the cookies, the Troop received a tour of Dutchess Outreach and the programs we support. Special thanks to the Troop for thinking of Dutchess Outreach!
