Spring/Summer 2021

“Spring Refresh”

“Refresh!” Have you ever clicked the refresh button on your computer screen? It may take a minute, but all of the email messages you missed will pop up and all of the previously blank information on pages will populate. With the sunny days of spring ahead of us and the cloudy days of the COVID 19 Pandemic nearly behind us, let’s refresh the pages in our lives. It may take a minute, but everything that was paused will pop up and all of those areas that were once empty will now populate; they will populate with people, energy, time, service and resources. As our state and country re-open, let’s refresh ourselves and help refresh the lives of others.

Volunteer Recognition Reception

**Above & Beyond:
Working Together,
While Staying Apart!**

Our annual Volunteer Recognition Reception was held on May 27, 2021, outdoors on the lawn in between our Urban Farm and our Lunch Box. On this beautiful, picturesque

day, we recognized over 70 volunteers for their dedication and commitment to Dutchess Outreach. We understand the value of each of our volunteers; the heart of our programs and services. Beverly Banta (pictured

above) received our Mary Keeley Award. Max Plati (pictured center left) received one of the Outstanding Youth Awards. Assembly Member Jonathan G. Jacobson (pictured above right) attended our Recognition and presented our volunteers with a certificate, thanking them for their service.

Grateful to our Lunch Box volunteers

We are incredibly, grateful to several volunteers, youth groups and many restaurants for their generosity and/or support in our **Lunch Box**.

Thank you to Central Hudson!

We are extremely thankful to Central Hudson Gas and Electric for donating 1200 reusable bags to Dutchess Outreach! The bags contain both the Central Hudson logo and Dutchess Outreach logos! The bags are used to pack food for those who visit our Food Pantry and our Farm Stand. What an incredible collaboration!

thank you!

Note from our Executive Director

Ten thousand people (including three thousand children) have received nutritious food this year thanks to our volunteers who have given so selflessly, and courageously, throughout these perilous times. For every employee at Dutchess Outreach, there are more than 40 volunteers packing grocery bags, unloading trucks, delivering food, cooking meals, distributing clothing, and offering compassion to others. We cannot thank you enough for what you do, but please know that it all matters in immeasurable ways. With heartfelt gratitude, **Renee S. Fillette**
